LEAD222

Building a community of student ministry leaders that sharpen one another in personal character and professional skills.

*And the things you have heard me say
in the presence of many witnesses entrust to reliable
people who will also be qualified to teach others.
2 Timothy 2:2*

LEAD222

LEAD222 is committed to sharpening each youth worker invited into our coaching community, both in their personal character and professional skills. The following information describes our different membership coaching options and is provided to clearly state what you can expect from LEAD222, as we join together in this unique coaching community.

CUSTOM COACHING SL5

Through Custom Coaching, LEAD222 is offering summer Servant Leadership Experience (SL) training and serving experiences for your Middle School and High School students (as well as volunteers within your ministry). This summer trip sets up an intentional focus for your students throughout the ministry year, to see the importance of having a mentor in their lives. By bringing your students to Servant Leadership Experience, LEAD222 will cover the costs of your Coaching and Mentoring season.

Cost: No annual fee, just the cost of your Servant Leadership Experience trip

What you get: During the nine month coaching season (September – May), you will receive:

- Nine one-hour group coaching teleconferences to identify best practices and provide a think tank and sounding board with other youth workers.
- Nine sixty-minute Leader Talk conference calls with national leaders and top youth practitioners.
- Access to LEAD222's Global Youth Ministry (GYM) Network, providing training and resources from leaders around the world.

As an SL5 member, you commit to either bringing 3 or more participants (middle school or high school) to an international Servant Leadership Experience or 5 or more participants to an SL domestic trip. For more information about our Servant Leadership experiences visit our website at www.ServantLeadershipExperience.org.
